DK/EP patent No. 3672954
Valid in Denmark

The above mentioned European patent is hereby valid in Denmark, registered in our patent files as DK/EP 3672954. Enclosed please find the patent certificate.

The patent will remain in force subject to payment of an annual fee, payable for a maximum of 20 years from the date on which the application was filed.

Annuity year commences the day after publication of decision to grant by the European Patent Office. Annuity fee are payable to the Danish Patent and Trademark Office.

Information concerning current rates for annual fees may be obtained from the Danish Patent and Trademark Office.

The patentee is solely responsible for payment of annual fees. Should the fees not be paid on time, the patent will lapse, irrespectively of whether reminders have or have not been received.

The fees must be paid in Danish Kroner.

Please remember to quote the patent number when paying the fees.

Yours sincerely,

Jette Pawelczuk
Head of Department
